Dear Sir:

Your letter of June 6th received. I will see that you receive publicity. We are using Pitcher James Brown's picture on the cards. He has been making a very good record for himself, has looked very good and won several important games.

Your placards should arrive any day now, and I sent the Passes to be given with them yesterday.

About inviting the Orphans, I would be very glad to have them attend. There are quite a few problems however connected with Children at a Cal game. There must be a number of Adults to supervise them. They are apt to run around and annoy the grown ups if they are not closely watched, then too they will keep the balls unless they are told they must return them. Of course, all these things can be handled, but it is good to know them so they can be prepared for. I would be glad to have them and feel sure you can arrange to take care of them. How many are there?

Drop me a card when you receive cards and passes.

Yours very truly,
